The goal of the Healthy Food Choices in Schools Resource Area is to provide useful and relevant information to you! Please help us understand what you find most useful and how we can increase your satisfaction by filling out this short survey. It should take no more than 5 minutes.

There are no known risks of taking this survey. You must be at least 18 or older (19 or older in Nebraska and Alabama) to participate. Your answers to the questions are anonymous. Any reports prepared will be released only as summaries in which no individual’s answers can be identified. This survey is voluntary. You are free to decide not to participate and can withdraw at any time without harming your relationship with the researchers or institutions involved.
